Senior Session Information

All Sessions

\$ 50.00

The Multnomah

A relaxed session, we spend 1 1/2 to two hours strolling around Multnomah Village, off SW Capital Highway.

This unique setting provides a multitude of settings for your senior portraits.

From store fronts to painted mural walls, this area provides all you need to an awesome photo experience.

The Industrial

This session is all about a hard urban setting. Shooting near OMSI in the SE Industrial Area. We have many vacant and under used warehouse settings. Along with in town rail road tracks. If time allows we can stroll across the Morrison bridge and use the West waterfront for some dynamic images. This session works best later in the afternoon, and usually lasts 2 hours.

The Personal

This session is all about your favorite spot around the Portland area. You pick the spot, whether it is a park or a special location. This is a special way to remember your senior year.

Booking a Session

Senior Portraits are a very important part of your senior year. We are very happy you have included NWP to be a part of your experience and we will do everything possible to ensure you have the best and most creative images in your class.

We require payment of session fee at the time of the booking, via credit card or check. The fee is non-refundable if you cancel within 24 hours of your session. If the session is postponed due to weather or circumstances beyond our control we will apply the session fee to the new date.

Please fill out the Client Information Sheet and bring to your portrait session.

We look forward to working with you.....

Frequently Asked Questions

How long will the session take?

Your session will take from 1 1/2 to 2 hours, depending on the session you choose, and the amount of outfits you bring.

What outfit should I wear first?

You should arrive dressed with the outfit you would like to wear for your yearbook head and shoulders poses. Hair and make-up should be ready to go.

How many outfits can I bring and how do I change?

You can bring as many outfits as you like, we have no limit on changes. Remember we are on location so anything you bring will have to be packed so we can move around easily.

NWP has a portable changing room, that pops up and collapses in seconds. It allows you privacy while you change to your next look.

Hair....

Should be styled the way you want it to look, you may want to have your hair professionally styled. Guys should not get a hair cut less than one week before your session

Frequently Asked Questions... Continued

Make-up...

Even though the trend is for less make-up we suggest wearing make-up for your portraits. A good base, set with powder evens out skin tones. Lipstick and eye make-up help to sharpen and define the lips and eyes. Make-up will also make your previews look better. Your hands will show in your portraits so make sure fingernails are groomed.

Colors...

For the head and shoulders portraits, stay with medium shades. Not light, not dark, but right in the middle. Earth tones photograph extremely well and look especially nice for outdoor sessions. Blacks and browns photograph nicely as well as mono tone outfits.

What about jewelry?

For girls you can bring a change of jewelry for each outfit. For girls and guys don't forget your class ring.

What about props?

You are welcome to bring anything that will add to your overall experience. If you play a sport bring your jacket, uniform and any equipment: ie, balls, bats, helmet, etc. If you have a hobby, bring something to reflect your interests.
